

CLEANING INSTRUCTIONS

To get your deposit back

To make the cleaning inspection easier for you to pass without any remarks, we advise you to follow the list. You have to supply cleaning detergent yourself. Make sure you do this in time so you are ready when the inspection takes place. All keys and tags that are signed for shall be handed in when the inspection is finished.

FINAL CLEANING IN YOUR ROOM

- Vacuum the floor.
- Mop/wipe the floor with water and detergent.
- Clean all the skirting boards and remove all stubborn marks.
- Vacuum the bed and mattress.
- Vacuum the armchair and desk chair.
- Wipe the tables, shelves, top of and inside closet and the window sills with a wet cloth.
- Wipe and polish the mirror.
- Wipe and clean away any marks on doors, light switches or walls. Don't forget to wipe around door handles.
- Empty and clean your waste paper basket.
- **Do not leave any belongings in your room!**

FINAL CLEANING IN YOUR BATHROOM

- Clean the toilet seat inside and out with a brush and toilet cleaner.
- Wipe the basin, toilet lamp, floor and shower walls with detergent.
- The sink, tile on wall and floor shall be **cleaned from calcium oxide** (use proper cleaning chemicals, for example Cillit Bang for "kalk").
- Wipe and polish the toilet mirror.
- Empty and wipe the toilet cupboard.
- Wash the shower curtain.
- Change any broken light bulbs.
- Clean the shower drain by lifting it up and clean the inside.
- Wipe the valve in the ceiling of the bathroom so that it is free from dust.

FINAL CLEANING COMMON AREAS

- Remove all your food from the fridge/freezer and your cupboard.
- Clean out your cupboard and make sure your private kitchen set is complete.
- Wipe the shelves in the fridge with a wet cloth. Take out your garbage straight away!
- Make sure the areas are in proper condition.
- Empty your post box.
- Take out your rubbish and recycle.
- Clean the stove and the oven, this is a joint effort.

Regards MKB Fastighet AB
